

Pray | Attend | Contribute

We depend on your prayers, attendance and financial support to further the mission of OLP. Think of what could be accomplished if we attained 100% participation in each of these areas. Your support makes possible religious studies classes, an active campus ministry, a Christian service program, retreats, as well as new materials for the library, classroom supplies, and financial assistance for students in need. Your gift is an investment in the girls who attend OLP. A full 93% of alums feel that OLP played a significant role in shaping them into the persons they are today...
